## THE TWELVE TRIBES OF HATTIE (OPRAH'S BOOK CLUB 2.0)

Knopf, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for The Twelve Tribes of Hattie "Piercing. Ms. Mathis writes with uncommon narrative authority in The Twelve Tribes of Hattie, conjuring the lives of the Shepherd family with extraordinary psychological precision. Ms. Mathis has a gift for imbuing her characters' stories with an epic dimension that recalls Toni Morrison's writing, and her sense of time and place and family will remind some of Louise Erdrich, but her elastic voice is thoroughly her own - both lyrical and unsparing, meditative and visceral, and capable of giving the reader nearly complete access to her characters' minds and hearts. Astonishingly powerful." --Michiko Kakutani, The New York Times, "10 Favorite Books of 2012" "The opening pages of Ayana's debut took my breath away. I can't remember when I read anything that moved me in quite this way, besides the work of Toni Morrison." --Oprah Winfrey "Lush yet deliberate, elegant and sure, a complex and deeply humane story of a mother's ferocious love and failures at loving. In the vivid specificity of Mathis's tale, she is telling a universal story, and it is profoundly consoling." --Laura Collins-Hughes, The Boston Globe "Mathis never loses touch with the geography and the changing national culture through which her characters move. The Twelve Tribes of Hattie is infused with African Americans' conflicted attitudes about the North and the South during the Great Migration. In the long family arc that Mathis describes, the painful life of one remarkably resilient woman is placed against the hopes and struggles of millions of African Americans who held this nation to its promise. One of the best [novels] of 2012." --Ron Charles, The Washington Post "Raw and intimate, a brutal and poetic allegory of a family beset by tribulations. Mathis tempers the more operatic elements..."
