TWIN BEASTS OF THE APOCALYPSE: (PROPHECY REALITY) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twin Beasts of the Apocalypse underlines the profound relevance, significance and consequence of understanding the symbols and signs with which the Apostle John delivered to mankind the divine revelations in his Apocalypse. The central issue concerns the two beasts that John saw in a vision that appeared to him in heaven - one which came up out of the sea and the other which came up out of the earth. After describing these beasts in its actual existence through symbols and signs and explaining the works that it had done, is doing and shall do on earth, the Apostle John calls out what seems to be a trial or a task for every man who has understanding: Here is wisdom. He who has understanding, let him calculate the number of the beast; for it is the number of a man; and his number is six hundred and sixty-six. Since then, so many wise and prudent theologians, Bible scholars, church and religious leaders and teachers and religious individuals have come up with their different calculations that border from the bizarre to the most incredible that man can ever imagine. In fact, almost every one of them is either a near hit or a near miss at their very best. Therefore, the book exposes the futility of seeking the correct calculation of the number of the beast from these teachers and pastors of the different church organizations. On the other hand, it presents the perfect calculation of the number of the beast in a manner that leaves no doubt whatsoever as to its correctness and wisdom. The beast of the earth will cause all, the small and the great, and the...
