

Everyone Can Write: Essays Toward a Hopeful Theory of Writing and Teaching Writing

By Professor of English Peter Elbow B.A., M.A., PH.D.

Oxford University Press Inc, United States, 2000. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.With *Writing without Teachers* (OUP 1975) and *Writing with Power* (OUP 1995) Peter Elbow revolutionized the teaching of writing. His process method-and its now commonplace free writing techniques-liberated generations of students and teachers from the emphasis on formal principles of grammar that had dominated composition pedagogy. This new collection of essays brings together the best of Elbow s writing since the publication of *Embracing Contraries* in 1987. The volume includes sections on voice, the experience of writing, teaching, and evaluation. Implicit throughout is Elbow s commitment to humanizing the profession, and his continued emphasis on the importance of binary thinking and nonadversarial argument. The result is a compendium of a master teacher s thought on the relation between good pedagogy and good writing; it is sure to be of interest to all professional teachers of writing, and will be a valuable book for use in composition courses at all levels.
