Brand New Book ***** Print on Demand *****.Business owner Mac MacKinnon is a perfect catch: attractive, ambitious and successful. He s a member of an old, established pride of lion shapeshifters, but determined to live life as a loner. Except that when Zora Mason walks into Mac s coffee bar one day and applies for the position of assistant manager, he knows without a doubt he s met the woman of his dreams. Can she accept life with a shifter-boyfriend? Zora knows a lot more about Mac (and the other shifters in town) than she s been letting on. Falling in love with a sexy shifter is more than she bargained for when it comes to dealing with sibling drama, learning the business, and managing an alpha male who s used to doing things his way. When a challenge to Mac s Pride threatens to destroy Mac s family, Zora has to decide whether to be claimed as his mate in a ritual in front of the pride. Who knew that love with a lion shifter would be so challenging?.
