Natural or herbal medicine has existed as long as humans have inhabited the Earth, and in fact, it is the basis for modern medicine. But in an age of quick fixes, pill popping, and it has become apparent that these traditional, doctor prescribed treatments aren't always enough - it is vital to have a well-rounded health regimen and that often includes alternative treatments. Debora Yost takes readers step-by-step through effective uses of diet changes, herbs, hydrotherapy, yoga, and various physical treatments such as chiropractic, acupuncture, massage, and reflexology to treat and/or prevent over 90 common ailments, from acne and bad breath to heart disease and rheumatoid arthritis. The book is laid out in a dictionary-like, A-Z format according to each sickness so it's easy to find the cure for what ails you. Paired with advice about how and when to use these treatments, which foods possess the most nutritional value, and a resource guide, The Complete Guide to Natural Cures is the ultimate handbook for living a healthy, natural life.
