Allen & Unwin, 2007. Paperback. Condition: New. 192 pages black spine. Powerful, sparse, and compelling, this collection of short stories focuses on adolescents and their diverse family relationships. The characters examine who they are and how they fit into their family, their community, and their world, often exploring parent-teen conflicts. Skillfully told in a stark and haunting style, these stories detail the lives of eight teens, revealing through seemingly mundane events their individual realities.
