Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Everybody knows Canterbury, with its Old-World charms and its ostentatious air of being content to be rather behind the times, of looking down upon the hurrying Americans who dash through its cathedral and take snap-shots at its slums, and at all those busy moderns who cannot afford to take life at its own jog-trot pace. But everybody does not know the charming old halls and comfortable, old-fashioned mansions which are dotted about the neighboring country, either nestling in secluded nooks of the Kentish valleys or holding a stately stand on the wooded hills. Of this latter category was The Beeches, a pretty house of warm, red brick, with a dignified Jacobean front, which stood upon the highest ground of a prettily wooded park, and commanded one of those soft, undulating, sleepy landscapes which are so characteristically English, and of which grazing sheep and ruminating cows form so important a feature. A little tame, perhaps, but very pleasant, very homely, very sweet to look upon by the tired eyes that have seen enough of the active, bustling world.
