HIDDEN MOON

[DOWNLOAD](#)

Griffin Publishing, United States, 2009. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Hidden Moon reads more like a spy novel by a Korean Kafka. Final word: Fascinating. Rocky Mountain News In A Corpse in the Koryo, James Church introduced readers to one of the most unique detectives to appear on page in years---the elusive Inspector O. The stunning mystery was named one of the best mystery/thrillers of 2006 by the Chicago Tribune for its beautifully spare prose and layered descriptions of a terrain Church knows by heart. And now the Inspector is back. In Hidden Moon, Inspector O returns from a mission abroad to find his new police commander waiting at his office door. There has been a bank robbery---the first ever in Pyongyang---and the commander demands action, and quickly. But is this urgency for real? Somewhere, someone in the North Korean leadership doesn't want Inspector O to complete his investigation. And why not? What if the robbery leads to the highest levels of the regime? What if power, not a need for cash, is the real reason behind the heist at the Gold Star Bank? Given a choice, this isn't a trail a detective in the Pyongyang police would want to follow all the way to the end, even a trail marked with monogrammed silk stockings. I'm not sure I know where the bank is, is O's laconic observation as the warning bells go off in his head. A Scottish policeman sent to provide security for a visiting British official, a sultry Kazakh bank manager, and a mournful fellow detective all combine to put O in the middle of a spiderweb of conspiracies that becomes more tangled, and dangerous, the more he...
