Cambridge University Press, UK, 2009. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: Society consists of numerous interconnected, interacting, and interdependent groups, which differ in power and status. The consequences of belonging to a more powerful, higher-status 'majority' versus a less powerful, lower-status 'minority' can be profound, and the tensions that arise between these groups are the root of society's most difficult problems. To understand the origins of these problems and develop solutions for them, it is necessary to understand the dynamics of majority-minority relations. This volume brings together leading scholars in the fields of stigma, prejudice and discrimination, minority influence, and intergroup relations to provide diverse theoretical and methodological perspectives on what it means to be a minority. The volume, which focuses on the strategies that minorities use in coping with majorities, is organized into three sections: 'Coping with Exclusion: Being Excluded for Who You Are'; 'Coping with Exclusion: Being Excluded for What You Think and Do'; and 'Coping with Inclusion'. : Review: "Fabrizio Butera and John Levine have gathered an illustrious group of world-renowned scholars. Their Coping with Minority Status gives us solid theory, intriguing research findings and, last but not least, scores of practical insights. A must-read for anyone seeking a better understanding of the roles ethnic, social, religious, or political minorities have in these turbulent times." : - Carsten K.W. De Dreu, University of Amsterdam: "Coping with Minority Status offers unique and valuable perspectives on an important yet still largely understudied aspect of intergroup relations: how minority group members adapt to or actively try to change their group's status. The chapters, written by leading international scholars on intergroup and intragroup processes, consider how being a member of a minority group affects the ways people think, feel, and relate...
