Excerpt from Yarmouth Personages, an Introduction: An Attempt to Revive the Memory of Individuals Whose Names Were Once Household Words in Old North Yarmouth and Yarmouth A town s richest heritage is her history. The memory of the men and women, her sons and daughters, who have linked their names with hers, helped to form her ideals, bring to pass her achievements and make her name known to the world, should be treasured as jewels, nor, indeed, should they be hidden away between the unturned pages of musty historical records, but set in the appropriate matrix of the living imaginations of the present generation. Time has proved these worthy of your acquaintance. About the Publisher Forgotten Books publishes hundreds of thousands of rare...
