Createspace, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.After a worldwide energy and economic crisis, newspapers have ceased production and nearly every form of art and entertainment is a digital simulation. In this seemingly impossible (but plausible) future, a crusty old cartoonist named Frost has a great gift to leave Giles, his only child. Frost is the creator of Li l Nibs; the most celebrated comic strip about four little aliens who crash-landed on Earth during the crisis and aptly announced, Weez Comez in Peez! However, to Giles, the funnies have caused nothing but conflict in his life. He s grown to resent Frost s crudely hand-drawn creations. But as the young Virtual Art professor soon learns, things aren t always as they appear. Like a cartoon wizard behind ink-stained curtains, Frost weaves a whimsical tale about the origins of the funnies, webcomics, and a terrorizing menace that threatens to kidnap every artist s childhood dreams! Whether Giles believes it or not, the fate of the funnies is in his hands.
