Trafford Publishing, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fate: A New Beginning is a revision of an original work titled Fate: The Beginning. The original work lacked appealing cover artwork, a catching opening and most importantly, professional editing. These issues have been corrected but the basic story remains the same. As the title suggest, A New Beginning is exactly what happens to Eric Miller and Dr. Erica Myers. Born in a society that did not tolerate interracial relationships, fate preserved their love for each other until a day they could begin anew. After decades of separation, Dr. Erica Myers recognizes Eric Miller almost immediately though it takes Eric Miller somewhat longer to identify her. This story is set in the midst of an inaugural journey to the edge of the galaxy where Eric Miller and Dr. Erica Myers struggle to make a decision that could either destroy or preserve our planet. Before they can embrace their feelings hey must overcome personal battles; Dr. Erica Myers issues with her parents and Eric Millers issues with his faith. And if this was not enough, they must battle a formidable enemy determined to gain control of their work. As a deacon in the church, Eric Miller s desire is to spread God s word. He is unaware that a seed he has planted was watered and is taking root. Unfortunately Eric Miller s beliefs cause Dr. Myers to question whether he really loves her. In the end, will their love for each other outweigh their personal beliefs? Will Eric Miller get an opportunity to witness the flower sprouted from his seed? You re sure to enjoy this delightful and intriguing story.
