Chuck Palahniuk is, of course, best known as the author of the award-winning novel (and subsequent film) *Fight Club*. This story alone shows the uniqueness of Palahniuk's storytelling, and his short stories and novels since have continued to establish him as one of the finest writers of modern times. It is evident from listening to what Palahniuk has said about himself and other subjects that he is more than just an author; he is a philosopher in his own right.
