## LA NAVIGATION DE PLAISANCE EN BRETAGNE

Editions Universitaires Europeennes. Paperback. Condition: New. 528 pages. Dimensions: 8.7in. x 5.9in. x 1.2in. Depuis les années 1960 la plaisance connaît un essor sans précédent et la Bretagne est directement concernée. Sa flotte de plus de 80.000 bateaux et ses centaines de ports et mouillages en 2010 l'attestent. Mais au-delà de ces chiffres, la navigation de plaisance a sa propre logique territoriale découlant de la localisation des ports et mouillages, de pratiques plaisancières spécifiques et d'un arrière-pays terrestre accueillant les entreprises de la filière nautique et les lieux de domiciliation des plaisanciers. Cette étude individualise plusieurs espaces de pratiques, associant une partie terrestre et un versant maritime. Si les collectivités locales reconnaissent la légitimité de telles entités territoriales, force est de constater qu'un décalage profond perdure avec le découpage administratif en vigueur. Ces espaces de pratiques tant appropriés dans une perspective de gestion mais difficilement identifiables, ce travail de recherche se propose d'apporter quelques clés pour y parvenir. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
