Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who stutte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

COLLECTIVE BARGAINING IN THE PRIVATE SECTOR

DOWNLOAD

Cornell University Press, United States, 2003. Paperback. Book Condition: New. New.. 218 x 140 mm. Language: English . Brand New Book. Private-sector collective bargaining in the United States is under siege. Many factors have contributed to this situation, including the development of global markets, a continuing antipathy toward unions by managers, and the declining effectiveness of strikes. This volume examines collective bargaining in eight major industries airlines, automobile manufacturing, health care, hotels and casinos, newspaper publishing, professional sports, telecommunications, and trucking to gain insight into the challenges the parties face and how they have responded to those challenges. The authors suggest that collective bargaining is evolving differently across the industries studied. While the forces constraining bargaining have not abated, changes in the global environment, including new security considerations, may create opportunities for unions. Across the industries, one thing is clear private-sector collective bargaining is rapidly changing.
