## Common Core Literacy for Math, Science, and Technical Subjects: Strategies to Deepen Content Knowledge (Grades 6-12)

By Katherine S. McKnight

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Common Core Literacy for Math, Science, and Technical Subjects: Strategies to Deepen Content Knowledge (Grades 6-12), Katherine S. McKnight, Resources and guidance for the journey of Common Core implementation In this age of the Common Core State Standards, all content area teachers must integrate literacy standards into their curriculum. If you re like most content area educators, you re feeling a bit overwhelmed at the thought of addressing all the new standards, or you might just need a little extra help. In this hands-on resource, Common Core literacy expert Katherine McKnight offers secondary teachers a clear understanding of what literacy looks like in math, science, and technical subjects. McKnight gives educators proven teaching techniques that help develop literacy skills in students. She also offers a wealth of practical strategies and ready-to-use activities that content area teachers can integrate seamlessly. Included are Ideas for implementing the literacy requirements of the Common Core across content areas A selection of activities that support literacy skills and build content knowledge in math, science, and technology classrooms An easy-to-use Difficulty Dial that indicates the complexity of each activity Robust student samples that bring the...

### Reviews

*This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.*

-- **Roxanne Stehr**

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
