## LOUIE LICKS AND THE WICKED SNAKES: BATTLEAXE (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Amy English (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Louie Licks will save the world. He will raise our souls from the pit of regularity with his nimble fingers and undying passion to shake up our bones. However, his skills, his chops, his power, organic as they may seem, may not be enough to ward off the powers that his music has aligned against him. His axe, a 1962 Phoenix III, has power deeper than the roots of a great oak tree and has attracted an extra terrestrial fan: Abner Righteous. Abner didn t travel to Earth to watch and listen to Louie play. He wants to play. And he will. He will stop at nothing to gain the galactic power that is within his reach, and try to put Louie out of business at the same time. With alien technology, gecko henchmen, and two shiny blasters, Abner expects to win. But what he doesn t know, what he can t predict, is the power of the heart. Louie will fight for what is right, for his friends, for the music, and for his fans. For without his fans, Louie knows there will be no freedom, no energy, and no party. That s enough motivation for Louie to scrap and claw for the Phoenix III, to learn how to master its true power, and become the Rock God he was born to be. The battle is joined in Louie Licks and the Wicked Snakes: Battleaxe. Can Louie and his band survive?.
