## HISTORY OF THE ACADIANS

Alphascript Publishing Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x11 mm. Neuware - The Acadians French: Acadiens are the descendants of the original French settlers and often Métis, of parts of Acadia French: Acadie in the northeastern region of North America comprising what is now the Canadian Maritime Provinces of New Brunswick, Nova Scotia, and Prince Edward Island, Gaspé, in Quebec, and parts of the American state of Maine. In the Great Upheaval of 1755, Acadians were uprooted by the British; some of these resettled in Louisiana, where they became known as Cajuns. War between the French and the British in their colonies and in Europe is an important element in the history of the Acadians. No other factor shaped the cultural evolution of Acadians in such a dominant way. A second historical element to affect development of the Acadians is a sense of abandonment by France. The last century has been marked by struggles by the Acadian people for equal language and cultural rights as a minority group in the Maritime provinces of Canada. 176 pp. Englisch.
