It is a good sign, and will be regarded with approval by the many so deeply interested, and all those familiar with the necessity for pure fresh air in mines. The large number of escapement shafts completed and in progress evidences the effort in the enforcement of the law relating thereto, as well as showing the willing observance by many of the same law. The sinking of escapement shafts to afford additional exit from the mines in case of accident. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
