Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.

(Ike Fadel)

STREET LOGOS

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, Street Logos, Tristan Manco, Graffiti art is constantly changing. Fresh coats of paint and newly pasted posters appear overnight in cities across the world. New artists, new ideas, and new tactics displace faded images in a perpetual process of renewal and metamorphosis. From Los Angeles to Barcelona, Stockholm to Tokyo, Melbourne to Milan, wall spaces are a breeding ground for graphic and typographic forms as artists unleash their daily creations. Current graffiti art is reflective of the world around it. Using new materials and techniques, its innovators are creating a language of forms and images infused with contemporary graphic design and illustration. Fluent in branding and graphic imagery, they have been replacing tags with more personal logos and shifting from typographic to iconographic forms of communication. Street Logos is a worldwide celebration of these new developments in twenty-first-century graffiti, an essential sourcebook for all art and design professionals, and a delight to everyone excited by the vitality of the street.
