

Word Search Coloring Book

By Alice Ayden

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Adult Coloring Books are a fantastic way to relieve stress, be creative, and just have fun with various colors. Since I love experimenting with color and word search, I combined the two. There are themes with each word search puzzle including birds, dogs, cats, wild animals, and holidays like Christmas, Halloween, Easter, Valentine s Day, and St. Patrick s Day. There are word lists for each word search puzzle, but - for an extra challenge - try to find the words that match the theme without looking at the word list. Color the words and extra letters however you imagine. Each word search and quilt design is original for this book. To prevent the majority of bleed through, I have one major design per page with a smaller design or word list on the other side. All you need is your favorite coloring tools and a smile. Have fun!.
