Barack Obama has defrauded the American people and continually lied to them to carry out his sinister, anti-American agenda. Many of the most nefarious things this man has done are still not known by the majority of Americans because he has always been protected by a biased and complicit press and media that is devoted to the new, very far left, Democratic Party. Obama is guilty of causing inestimable damage to the United States: in terms of its security, its economy and American society in its entirety. Indeed, he has deliberately done everything he can to damage and undermine this country under the guise of transforming it. He has ruled like a dictator rather than governed as a president of a democratic republic. Hillary Clinton has followed Obama s example in all regards and, if elected, will continue to rule by fiat rather than govern. Barack Obama and Hillary Clinton are both guilty of running the most corrupt, treacherous and abusive administration that has ever existed in the United States of America and they now have the country poised for its demise. Both have risen to power by using treachery and fraud. Hillary Rodham Clinton is the most duplicitous candidate ever to run for the office of president of the United States. Clinton s ideas and proposed programs will expand on Obama s destructive policies and continue to transform this country into a socialist dystopia. This is the goal of the liberals and progressives in the new Democratic Party. Hillary Clinton is a progressive-liberal which means that she truly is a globalist and a socialist. The only weapon we have to stop her is the TRUTH. Read...
