Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

It has, in consequence, been compelled to rely on its intrinsic right to the common protection and favor of all civilized nations; and, thus far, for the most part, without being disappointed. The undersigned forbears to enter much at large into the particular matters discussed between the Liberian authorities and the British cruising officers. The right of the Liberian Government to maintain their jurisdiction over Bassa Cove and the dependent territory, forms the most important of them; and the denial of that right by several British officers is the most serious difficulty, of a political nature, which the Liberian settlement has had to encounter. If the principle assumed by these officers should be sanctioned by her Majesty s Government - namely, that the Liberian settlement can, by treaty with the native chiefs, acquire no jurisdiction over territory on any part of the coast of Africa where an individuals has previously established a factory or traded with the natives - it will become impossible for the settlement to make any further addition to its domain, or, in fact, to maintain itself in its oldest establishments. This principle, it would seem, can rest on no other foundation than that the settlement of...
