

Don't Let Anyone Steal Your Story: A Stripped-Down Readable Book about Copyright, Full of Entertaining Anecdotes and Real-Life Examples. (Paperback)

By Barry Pearson

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You can lock your doors and windows to keep thieves out, but how do you protect your ideas or written works? Literary property theft happens every day. Written by a writer, for writers, Don't Let Anyone Steal Your Story will help you protect yourself against plagiarists and anyone else who might infringe your right of sole ownership. What if you wrote a script and later saw an eerily similar plot in a famous movie? Find out why Eric Ryder went to court against James Cameron over Avatar, and how you can avoid a similar battle. What should you do if you're writing with a partner? Find out what happened to one deal that went sour. Do you have to register your work? Use a copyright symbol? What about other countries? Find out the steps you need to take, and hear how the author avoided a messy lawsuit. Can you copyright an idea? Are you afraid even to talk to someone about your great idea or work-in-progress? Find out what could happen, and how to protect yourself. Can you use a character...
