But how do you become irresistible and command the love and respect you deserve? Surprisingly, most women already have the ability to create and nurture an incredible relationship; they simply do not know how to go about it. Does that sound familiar? You are not alone. Every day people like you experience this problem. It s an issue made worse by the daily grind, you get caught up in all sorts of things and forget that you too are important. Helen Ashburn has put together a set of simple to follow guidelines to help you command the love and respect you deserve and attain the qualities necessary to become irresistible, so much so that people will simply want to be with you. The whole purpose of dating is to meet that certain someone with whom you have an affinity. Once you have found him, then it s even more important to hone your interpersonal skills. In Dating Advice for Women Volume 2, the author shows how to develop those skills that make you irresistible and even more desirable. Do you feel uncomfortable when dating because you are: Embarrassed Worrying about what he thinks Feeling inadequate? Not feeling good about yourself? Too shy and unable to converse naturally with your date She describes the qualities that can help overcome these feelings and put a positive spin not only on your dating but also in your life so that you can; Feel good about yourself Begin to love who you really are Be the first to start the conversation Make him come after you Just think how much more confident and...
