Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Abandoning the cyclical approach to text of works like *Deistic Deliverance* (1997), this collection of what, in relation to earlier supernotational integrities, the author is inclined to regard as ultra-notational , brings to a resounding conclusion his quest for philosophical perfection, as it addresses a variety of Social Transcendentalist concerns in relation to what is loosely termed Kingdom Come , not the least of which being the salvation of what John O Loughlin has called Subchristians from theocracy, and the correlative presentation of a meritocratic alternative to all forms of religious tradition.
