## QlikView for Developers Cookbook

By Stephen Redmond

Packt Publishing. Paperback. Condition: New. 290 pages. Dimensions: 9.2in. x 7.5in. x 0.6in. Take your QlikView training to the next level with this brilliant book that's packed with recipes which progress from intermediate to advanced. The step-by-step approach makes learning easy and enjoyable. Overview Learn beyond QlikView training Discover QlikView Advanced GUI development, advanced scripting, complex data modelling issues, and much more Accelerate the growth of your QlikView developer ability Based on over 7 years experience of QlikView development Written in a handy Cookbook style with each recipe as a self-contained learning module In Detail QlikView has been around since 1993, but has only really taken off in recent years as a leader in the in-memory BI space and, more recently, in the data discovery area. QlikView features the ability to consolidate relevant data from multiple sources into a single application, as well as an associative data model to allow you to explore the data to a way your brain works, state-of-the-art visualizations, dashboard, analysis and reports, and mobile data access. QlikView for Developers Cookbook builds on your initial training and experiences with QlikView to help you become a better developer. This book features plenty of hands-on examples of many challenging...
