Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Battle of Buena Vista, the Operations Army of Occupation, for One Month IT is due to those who are immediately interested in the accuracy of the following account, as well as to the historian who may hereafter consult it, to state what were the opportunities of the writer for knowing the truth. For two months before the battle of Buena Vista, he was stationed at or near the ground on which it was fought; and, during this time, he was led, with others, to remark its strength as a military position. In the battle itself, the nature of the service he was called on to perform as commander of a company of dragoons, afforded opportunities of deliberate observation in many different parts of the scene, and enabled him sometimes to take notes of what was going on around him.
