

## What Goes on in My Head?

By Robert Winston

Dorling Kindersley Ltd. Paperback. Book Condition: new. BRAND NEW, What Goes on in My Head?, Robert Winston, Robert Winston helps you wrap your head around how the brain works. Join Professor Robert Winston in What Goes On In My Head? and introduce your child to the most powerful, complicated computer network that exists - their brain. You can make sense of the brain's mind-boggling structure and understand how it controls everything you do. From what the different parts of the brain do and why it changes at different stages in a person's life, to why sleep is so important for us, you'll uncover the secrets of your inner world in incredible detail. Packed with amazing illustrations and fascinating facts like why bird song is similar to human speech and what makes animals yawn. Plus, fun brainteasers to test your child's memory, perception, reasoning and reactions and a personality quiz make learning about the brain exciting. So, get your head around the brain's anatomy and learn about everything from emotions and behaviour to memory and personality and gain a fascinating insight into your brain with Robert Winston's What Goes On In My Head?.

### Reviews

*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Prof. Adell Lubowitz

*If you need to adding benefit, a must buy book. it was writtern really perfectly and beneficial. You may like the way the author create this ebook.*
