Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Time Management God s Way stands apart from other books. It is based on God s perspective that He is the giver of time and the authoritarian on how we should manage it according to Kingdom values and standards ordained before the foundation of the world. Time Management GOD s Way gives great insight into how believers can live a stress-free and prosperous life by applying the principles of Matthew 6:33: sowing your time in God s kingdom and reaping more time to do all that you were created to do. Rev. Gloria Adams has a heart for the Great Commission-to share the gospel of Jesus Christ with all who will listen. She uses the platform of teaching the Word of God at seminars, Bible studies, workshops, through writing books and going on mission trips as directed by the Holy Spirit in order to reach people for Christ. The most valuable commodity we possess is time. It is the currency of life. We become whatever we purchase with our time. In essence, how we use our time determines our life. In this work, Gloria Adams offers one of the most valuable contributions I have ever read on the subject, and I highly recommend it to all who want to improve their management of life s most valuable asset. - Dr. Myles Munroe, Nassau, Bahamas.
