Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The time has come for another in the circle to receive their powers. Watir has always been laid back and gone with the flow, done what was expected of him. For years the pressure was put on him, but not by his family, by himself. His family never really cared whether or not they had the powers their ancestors once carried. But he still felt responsible to not only get what rightfully belonged to his family, but to help his best friends and girlfriends. He witnessed what Ayre went through, and part of what Fyre went through. He knew the warlock and his family were getting stronger with each passing day. Could Watir handle what they had in store for him? Does he really want the powers his ancestors had? Watir must discover what he wants for himself and his life before he can accept the powers and help his friends win against the warlock and his family.
