Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Ashley Barron (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Cathy Lynn Brooks spent her career working with children with special needs, but despite her professional experience, it was still heartbreaking for her to witness the challenges faced by her daughter, Justine. Justine always reminded Cathy of Annie Oakley. She was fierce and protective of the vulnerable, but she was also plagued by her own troubles. At a young age, Justine was diagnosed with bipolar disorder and post-traumatic stress disorder. As Justine grew up, she often made bad choices due to the traumas of her past and her mental illness. Through it all, Cathy never stopped loving her daughter. In this revealing and powerful book, Cathy takes you back to the early days of Justine s childhood and the events that led to her diagnosis. Cathy watched her daughter try time and again to change her life, amazed and awed by Justine s persistence, courage, and compassion. Cathy hopes that her daughter s journey to a place of healing and peace will inspire others struggling with mental illness or caring for a family member with the same issues. She shows families that, while there are many obstacles on the road to better mental health, there are amazing joys waiting for you as well!.
