Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Lecture, Introductory to a Course on Obstetrics and the Diseases of Women and Children: Delivered November 5, 1848 Allow me to offer my salutations, and extend to you all a cordial and earnest welcome to the halls of this University. You have assembled for the purposes of instruction and self-improvement and you have visited this school of medicine in the full hope that the principles of your profession will be properly inculcated, and its great dogmas, as transmitted to us by the venerable and learned fathers of our science, faithfully expounded. These are duties which our position necessarily calls upon us to discharge - duties too sacred to be regarded lightly, for they involve consequences momentous not only to you, but to those, also, who are hereafter to be confided to your professional care. In this school, then, you are to learn the principles which are to guide you in the treatment of disease and may they, in the hour of peril, when all around is gloom and darkness, prove beacon-lights to illumine your...

Reviews

A new electronic book with an all new standpoint. It usually fails to charge too much. Its been printed in an exceedingly basic way in fact it is simply following i finished reading this book through which basically altered me, affect the way in my opinion.

-- **Dr. Amie Bogisich**

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
