By Justus von Liebig

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Familiar Letters on Chemistry: In Its Relations to Physiology, Dietetics, Agriculture, Commerce, and Political Economy Besides extending considerably the former Letters, I have in the present edition added a number of new letters, which refer to general scientific questions and to the most remarkable discoveries recently made in the departments of chemistry and physics. Among these are letter 2nd, on the Study of the Natural Sciences; letter 13th, on the Correlation of the Forces of Inorganic Nature; letter 15th, on the Alteration of Properties in Bodies; letter 23rd, on Materialism in Connection with Natural Inquiries. Some investigations which I instituted last year on soils, and their comportment with the soluble food of plants, which were principally occasioned by the excellent papers of Way, have led to new and unexpected views of the nutrition of plants, and of their mode of absorbing food. Further, a series of experiments on cultivation has been undertaken by many agricultural societies in Germany, and particularly by the general committee of the Agricultural Society of Bavaria, in which I took part....
