Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book. Japanese vocabulary is actually fairly unique among many spoken languages that are out in the world. This is due to the fact that the language is based on some highly specialized characters. Understanding basic Japanese vocabulary will be a stepping stone for anyone who wants to speak the language at a conversational level. Like many other languages in the world, Japanese does have a few core words that can be quickly acquired. Consumers will enjoy the chance to learn more about the unique features of the language being used. Taking the time to acquire this vocabulary can also help people practice other words.
