MY MOTHER'S STORY: THE ORIGINALS (PAPERBACK)

Mothership Stories Society, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An anthology of memoirs. 39 Vancouver actresses write the story of their mothers lives - just the facts, ma'am - from beginning to end. These mothers come from around the world, with birthdates ranging from 1890 to 1954. Gathered together, these stories are a record of 20th century women's history, sketches of how women really lived. Written with disarming candour, these first hand accounts reveal the microhistory of women living through wars, poverty, prosperity, mental illness, addiction, artistic achievement, adoption, arranged marriage, infidelity, and the everyday trials and joys of women everywhere. Mothership Stories Society, a not for profit publisher, was founded in 2008 with the mandate to encourage the writing, collecting, and performing of stories written by daughters and sons about their mothers. This is the first book of the My Mother's Story series, part of a campaign that asks people around the world to record and share the story of their mothers lives. The stories collected for the project have inspired and/or fuelled the development of an online archive, writing workshops, books, radio and film documentaries, a form of theatre and - our hope - an entire social movement. telling women's history. one mother at a time.
