THE MOBILIANS: OR TALKS ABOUT THE SOUTH (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Mobilians: Or Talks About the South Col. Frank Bruley - he received the military title with the position during the great war between the States - was tall, and slender almost to emaciation. He had a pale, cold, intellectual face; dark eyes of an indefinable color, and a finely shaped head, adorned with chestnut hair, closely cut, and showing the faintest disposition to curl. His clothing was light in hue and texture, loose but well fitting, and scrupulously neat. There was about the Whole make-up of the man that air of perfect cleanliness, so rarely to be met with even among those of the rougher sex, who really possess and practice that delectable virtue. Without the prestige Of wealth, for he had lost all by the accidents of war, and without that Of age, for he was comparatively young in years, and wholly so in his feelings and associations, he was one of the most noted and popular men, in society and at the bar, of a metropolis rich in noted and popular men.
