

The Divine Order of Development: As Traced in Nature, Man, and the Bible by the Methods of Christ and of the Spirit

By John Coutts

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE. In former works dealing with the study of development, the standpoint has been that of enquiry; of trying to find out in the light of Science, Philosophy and the Bible, what men can discover about the order that exists in the Universe. The Evolution theory, in the past, received careful consideration, with this result, it was found to be too limited; it shut out from study realms of thought of supreme importance; it was natural and mechanical in its method; thus whilst very useful from the standpoint of Nature, it failed to interpret Man, truly or fully, as spiritual; and the attitude it took toward the Bible, and Spiritual religion, made it quite clear that such a theory, or system of thought, could not be accepted by spiritual thinkers. The steps of onward study that have been followed tend to show that scientific enquiry, and pure scientific results, are not the private possession of the School of evolutionists only, they are Divine gifts of truth to all men; and all men are...
