Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The U.S. Nuclear Regulatory Commission (NRC) recognizes the unique relationship that the Federal government has with Federally recognized Tribes. The NRC is committed to the development and implementation of agency policies and regulatory activities with Tribal implications. The Tribal Protocol Manual is intended to facilitate effective consultations and interactions between the NRC and Native American Tribes concerning activities within the scope of the NRC's jurisdiction. The Tribal Protocol Manual is a reference tool, produced from multiple sources, including interviews with NRC staff and management and other Federal agencies personnel and Tribal representatives experienced in working with Tribes. NRC management and staff can use this guide to develop and maintain government-to-government relationships with Tribal governments. This manual supplements working knowledge for NRC staff with Tribal outreach experience and provides practical guidance to NRC personnel who have had limited interactions with Native American Tribes.
