

25 Basic Bible Studies: Including Two Contents, Two Realities

By Francis A. Schaeffer

CROSSWAY BOOKS, United States, 1996. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Does the Bible speak to the real problems of real people in the real world? Does it offer viable solutions to those problems? You can weigh the evidence and decide for yourself with these 25 Bible studies, which show what the Bible actually teaches regarding our most fundamental questions about God. Compiled and written by one of modern Christianity's greatest thinkers, this book highlights Scripture passages on the central doctrines of Christianity--such as creation, man's sin and God's grace, the person and work of Christ, future events--and briefly explains how each passage supports the biblical teaching on that particular theme. It's all right here. Laid out simply. So you can see for yourself what the Bible says--in God's own words. This volume also contains Two Contents, Two Realities, Schaeffer's essay on the four things Christians need to make an impact in the current age. Together these two works serve to show the coherence and credibility of the Scriptures and their relevance to the critical issues in your life.
